

## Main Page

# Welcome to BlueSpice Wiki!

The central information platform for users, admins, developers and our community.

## Users

BlueSpice is a comfortable and easy to learn software to manage your (company) knowledge. We provide a lot of tools for editors, authors and readers.

## First steps

- Creating content
- Organizing content
- Quality assurance
- User manual

## Admins & Developers

**Important!** LDAP users:  
Microsoft patch for a security vulnerability in Active Directory

BlueSpice has a lot of options to create and optimize your wiki. For example you can manage your wiki with our role based permission management.
