View source for Manual:Extension/BlueSpicePrivacy /Administration

You do not have permission to edit this page, for the following reason:

The action you have requested is limited to users in one of the groups: Users, Administrators, ES_editors, editor.

You can view and copy the source of this page.

== Account deletion or anonymization == === Request to administrators === When a request for anonymization or account deletion is made, users in the sysop group will receive an email notification. They can then access the ''Privacy admin'' page located in ''Global actions > Management'' or by navigating to <code>Special:PrivacyAdmin</code>. This pages lists the submitted requests. Administrators can review and approve or deny them. * Grant request (click green tick) * Reject request (click on red crossed out circle) [[File: Manual:review privacy request.png|alt=Review privacy request|center|thumb|650x650px|Review privacy request]] In addition, administrators can see the status of the''Privacy policy consent'' for every user on the wiki on this page. === Direct action by users === The wiki can be configured sothat users can perform these actions immediately without approval from an administrator first (not possible in BlueSpice Cloud). Requesting actions applies to: * anonymization * account deletion Immediate action can be configured as $<code>bsgPrivacyEnableRequests = false;</code> be activated in ''LocalSettings.php.''
