Review privacy request

In addition, administrators can see the status of the *Privacy policy consent* for every user on the wiki on this page.

Direct action by users

The wiki can be configured so that users can perform these actions immediately without approval from an administrator first (not possible in BlueSpice Cloud). Requesting actions applies to:

- anonymization
- account deletion

Immediate action can be configured as `$ bsgPrivacyEnableRequests = false;` be activated in *LocalSettings.php*.
