CookieWarning

CookieWarning is a small extension that adds a small but well-visible information banner to the wiki.

It informs users that the wiki uses cookies. The default message also includes a sentence that the user agrees to the use of cookies.

For more information please visit [MediaWiki](#).

MIT

The **MIT License** is a permissive free software license originating at the Massachusetts Institute of Technology (MIT).

A common form of the MIT License is this (taken from the [Open Source Initiative's website](#); this is identical to the "Expat License", and different from the license used in the X source code):

```
Copyright (c) <year> <copyright holders>
```

```
Permission is hereby granted, free of charge, to any person obtaining a copy of this software and associated documentation files (the "Software"), to deal in the Software without restriction, including without limitation the rights to use, copy, modify, merge, publish, distribute, sublicense, and/or sell copies of the Software, and to permit persons to whom the Software is furnished to do so, subject to the following conditions:
```

```
The above copyright notice and this permission notice shall be included in all copies or substantial portions of the Software.
```

```
