

Quiz

Allows the creation of quizzes.

Status:	stable
Developer:	Lrbabe
Extension type:	MediaWiki
Edition:	BlueSpice free
Dependencies:	MediaWiki
License:	GPL v2+
Activated:	Yes
Category:	Content Structuring

Quiz is the quiz building tool adopted on the Wikiversity. This extension aims at being:

- Simple in its syntax and its use; powerful in its possibilities.
- Open to suggestions and improvements (by facilitating the addition of new types of questions).
